God, Creator, source of goodness  
Grateful thanks to you we give.  
In your steadfast love and mercy  
You forgive us when we stray.  
God of grace, God of life,  
We will praise you while we live.

God Redeemer, you have freed us  
By your grace from all our sin.  
You have led us on rejoicing,  
In our darkness, brought us light.  
God of grace, God of love,  
We will praise you while we live.

God Inspirer, ever guide us  
That our ways be as you will.  
Ever mindful of your caring  
May our lives proclaim your love.  
God of grace, God of hope.  
We will praise you while we live.
